

# BAY SHORE ELEMENTARY SCHOOLS

In 2013, Bay Shore elementary schools implemented a standards based report card to communicate student progress. The shift allowed specific, individualized feedback as to what every child should know and be able to do at each grade level in all subjects. This report card was designed to give parents better information about their child's progress, and allowed our district to work towards ensuring that all scholars are successful.

After careful study of the implementation of the standards based report card by our report card committee, K-

2017-2018
